PROPOSAL

We propose that approval be granted to the Board of Directors to:

- 
- a) purchase, on the stock exchange and/or through over the counter transactions in case the seller is a company directly or indirectly controlled by this company, over the next 18 months and up to the 10% consolidated limit, including shares acquired by controlled companies, permitted under the terms of number 2 of Article 317 of the Company Law, own shares, for a price per share not lower than the average share price in the ten-day period prior to the date of purchase, less 50%, and not higher than the average share price in the ten-day period prior to the date of purchase, plus 10%;
 - b) sell, on the stock exchange and/or through over the counter transactions in case the buyer is a company directly or indirectly controlled by this company, over the next 18 months and up to the limit permitted by law, a minimum of one hundred own shares, for a price per share not lower than the average share price in the ten-day period prior to the date of sale, less 10%.

In addition it is proposed that the Board of Directors be authorized to decide on the timeliness of operations – which may translate into sale or attribution of shares to members of statutory bodies and staff members of the company, according to the terms of the remuneration policy of the company – always, taking into consideration market conditions, the interests of the Company and of its shareholders.
