The Shareholders are informed that:

- a) The Shareholders' General Meeting is composed only of Shareholders with voting rights, who own shares and that until the five business days prior to the Shareholders' General Meeting, prove together with the company, the ownership of such shares under the terms of the law;
- b) Each share corresponds to one vote;
- c) An individual shareholder may be represented at a Shareholders' General Meeting by means of a letter addressed to the Chairman of the Board of the Shareholders' General Meeting, indicating the name and address of the representative nominated, as well as the date of the Meeting;
- d) A corporate shareholder may be represented at a Shareholders' General Meeting by a person designated by means of a letter addressed to the Chairman of the Board of the Shareholders' General Meeting, the authenticity of which will be considered by the Chairman of the Board of the Shareholders' General Meeting;
- e) Shareholders are allowed to vote in writing only in respect to item number five of the agenda;
- f) Written voting papers shall only be considered valid, if they are received at the company's registered office at least three days before the date of the Shareholders' General Meeting. The voting papers must be sent by registered post with acknowledgement of receipt and addressed to the Chairman of the Board of the Shareholders' General Meeting. This does not dispense with the need of complying with the procedures set out in paragraph a) above, in order to be registered as a valid shareholder for the Shareholders' General Meeting;
- g) Written voting papers must be signed by the shareholders or by their legal representatives. Individual shareholders must attach a certified copy of their identity card and, for corporate shareholders, the signature must be authenticated confirming that the signatory is duly authorised and mandated for the purpose;
- h) Written voting papers will only be considered to be valid when they clearly set out in an unambiguous manner:
  - (i) That they refer to item number five of the agenda;
  - (ii) The precise and unconditional voting intention on each proposal;
  - (iii) Notwithstanding the content of paragraph (ii) above, a shareholder is permitted to include in a written voting paper, in relation to an identified proposal, the intention to vote against all alternative proposals, in relation to the same item on the agenda, without further specification;
- i) It is assumed that shareholders have abstained from any proposals that are not specifically included in their written voting papers;
- j) Written voting papers shall be deemed as votes against any proposals presented after the issuance of such written voting papers;
- l) The Chairman of the Board of the Shareholders' General Meeting, or his or her substitute, is responsible for verifying that written voting papers comply with all the above requirements and, any that are not accepted, are treated as null and void.

To ensure confidentiality, written voting papers should be placed in a sealed envelope and identified as "vote in writing". This envelope should then be placed inside the letter mentioned in paragraph f) above.

The Shareholders are informed that the written voting papers, as well as a representation file for the purpose of paragraphs c) and d) above, will be available at the registered office during office hours, on the company's website [www.sonaecapital.pt](http://www.sonaecapital.pt), and on the Portuguese Securities Market Commission ("CMVM") Information Disclosure System as from 25 March 2008.

The Shareholders' General Meeting shall meet as long as shareholders representing over fifty per cent of the share capital are present or represented.

If no quorum is reached on the scheduled date, the meeting is rescheduled for 28 April 2008, at the same time and place, regardless of quorum.

Maia, 29 February 2008

The Chairman of the Board of the Shareholders' General Meeting,
